

WiBN Leadership Team Chair

Lillian Sullivan

Winstitute Leadership Series Workshops

Lillian is serving as the Business Development Manager at Sinclair Community College. Previously she was with Lexis Nexis serving as Director of Global Business Intelligence. Lillian is known as a results-oriented Senior Business Intelligence, Data Warehouse, Operations and Support professional with a proven track record of leading global cross functional teams and managing multi-million dollar budgets to deliver valued business solutions and services.

Lillian is a high-energy, intuitive leader. She is direct and straight-forward, focusing on the bottom line, while at the same time empowering her team. Lillian has advanced experience, skills, and a unique leadership style that has followed her throughout her career.

On a more personal note you would say Lillian is a talented people manager who cares passionately about morale and team building. She has a career long history of developing strong partnerships and delivering strategic thinking to improve productivity and revenue while reducing bottom line cost.

Lillian has a Master's Degree in Management from Antioch University Midwest. She is married and is a community oriented Daytonian. She and her husband have a unique lifestyle and own a loft in downtown Dayton.
